## 1 President's Report

In 2018, the third year of operations for the Northern Sydney and Beaches Hockey Association (NSBHA, NSB Hockey, the Association), I wish take this opportunity to commend the contributions of the so many volunteers who together have helped in delivering a significant set of achievements:

- On behalf of the Committee and all NSBHA members, I wished to acknowledge the incredible contribution Sue Pickering has made to the establishment of NSBHA and, in particular, her stewardship of NSBHA's highly successful representative program from 2015 to 2018. Sue will take the opportunity to slide out this current AGM. I will miss Sue's sage counsel and tremendous organization, but take solace in her legacy that leaves NSBHA well placed to continue to build.
- The representative program continues to grow, with particular pride in new milestones with 2 x U18 girls' teams, our first U15 boys' team and with NSBHA now representing at outdoor state championships in both genders and at all levels (except U18 Boys);
- Might I particularly thank NSBHA's Representative Committee for their energy, stewardship
  and care in facilitating the 2018 representative program, and to all the volunteer coaches,
  managers, selectors and administrators whose contribution continues to enrich the
  experience for all participants. Similarly to Diana Brown and her Womens' Masters
  Representative Committee, coaches and support staff in their oversight of a thriving women's
  master program;

NSBHA's Anna Flanagan and Sarah Johnston in action for the NSW Arrows - crowned National Champions in the 2018 AHL

 NSBHA crowned Division 2 champions of outdoor U18 Girls, Division 3 champions in U13 Boys, highly creditable placings of 4<sup>th</sup> and 6<sup>th</sup> respectively for outdoor Division 1 Open Women and Open Men, 2<sup>nd</sup> placing at indoor Division 3 U15 Girls, 4<sup>th</sup> placing at indoor Division 1 U15 Girls

and NSW State Championship success in Women's Masters O50 Division 1 and as runners-up in O45 Division 1. An outstanding honourable mention also to our U11Gs who finished 1<sup>st</sup> in Divisions 1 and 2 in the annual Kim Small Shield event at Tamworth;

- NSBHA Women's Masters teams competing in the SWHL competition enjoying strong participation (6 teams) and great results, with NSB minor premiers of Divisions 1, 2 & 3 and a Division 1 title to NSB/UTS1;
- NSBHA continuing to operate at low cost thanks to the generous contribution of many volunteers. The financial position is sound on the back of another strong operating profit of \$38,491. Membership fees have enabled the further accumulation of surpluses into a fund for future infrastructure projects in our area (\$146,405 as at end-September 2018, up over \$33,000 over the prior 12 months);
- Acknowledging the high priority for improved hockey infrastructure in the NSBHA area, prospects for new or upgraded hockey facilities continue to be worked in North Sydney, Northern Beaches, St Ives and North Turramurra (Ku-ring-gai Hockey Centre). A key meeting of NSBHA stakeholders on 31<sup>st</sup> July 2018 enabled a re-confirmation of the facilities' strategy and helped re-energise the ongoing efforts;
- Successive NSBHA grant applications in August 2018 and September 2018 seek the funding to enable a \$3.2M hockey facility and contemporary clubrooms at Barra Brui Oval, St Ives. These submissions have been progressed with Hockey NSW and Hockey Australia direct endorsement. We await those outcomes earnestly. If NSBHA makes it onto the shortlists, the final determinations won't be confirmed until March 2019. In the best case, NSBHA is hoping to commission a new facility at Barra Brui Oval in time for the 2020 season;
- NSBHA has furthermore applied for grant support to renew the field lighting at the Ku-ring-gai
  Hockey Centre. Unfortunately, KHC assets are progressively reaching end-of-life and the rising
  costs of lighting maintenance, in particular, are threatening the viability of ongoing KHC
  operations. NSBHA progresses this strategy in hoping to keep KHC available to local hockey
  into the medium term;

- The NSBHA Business Plan has been updated to cover the period 2018-2020 and was endorsed by the Committee ahead of schedule in April 2020. Members can find the Business Plan on the NSBHA website.

- An ongoing Development agenda for players, coaches and umpires is open to all NSBHA
  hockey stakeholders. Initiatives delivered through local clubs (pre-season clinics and coaching
  accreditations) and Hockey NSW (Centre of Development, Sydney Metro Academy, Athlete
  Acceleration Program, grass-root programs in schools, WHA clinics) have provided a
  combination of investments in growth, grass-roots development and talent acceleration.
- Thanks mainly to Sue Pickering the NSBHA website continues to serve the Association and its members effectively as a communication platform, a registration portal and information library. Innovations to help the membership platforms become more sustainable has NSBHA's Revolutionise portal now successfully hosting the competitions functionality of the WHA competitions. NSBHA is planning to also migrate onto the website platform as provided through Revolutionise and is now aiming to be live on the new host by the start of the 2019 winter season.

A full summary of progress on the Key Performance Areas identified in the NSBHA Business Plan (Jan 2018 – Dec 2020, updated September 2018) is shown in Appendix 4 of this Annual Report.

Nonetheless, challenges are ever present. Amongst those most pressing:

- NSBHA is always looking for more volunteer help ... administrators, coaches, managers, competition convenors. Volunteering is a rewarding way to contribute and with more assistance NSBHA can better maintain and build our service offering;
- Sowing growth of hockey participation within NSBHA will be a task requiring persistence over the medium term. Turf hockey propositions simply don't suit enough people. On the north shore, this particularly the case in the absence of local facilities and convenient participation options. It will almost certainly take a breakthrough for new hockey facilities on the north shore of Sydney to change that paradigm. That of course remains elusive. However at that point of facilities success, turf hockey needs a substantial re-invention to arrive upon the formats, timing and socialisations that will appeal to more in the community. If NSBHA does finally secure a new facility, the work will only have just begun towards building a more prosperous and sustainable platform for hockey across our area;

There are many I'd like to take this opportunity to thank for their contribution to the successful operations of NSBHA, including:

- The NSBHA Committee;
- The NSBHA Representative Hockey sub-committee;
- The NSBHA Women's Masters Committee;
- The pool of coaches, managers, selectors and administrators of NSBHA representative teams;
- The key organisers of NSBHA local school competitions including Sharon Willson and Belinda Kellaway.

Finally, I wish to thank the membership for this opportunity to serve and in expressing my appreciation of the generous support that has been shown to your NSBHA Committee. I look forward to further consolidations and progress for hockey in our area over 2019.

**David Johnston** 

President, NSBHA

## 2 Treasurer's Report

Membership to end September 2017 stands at 1720, comprising 75 U7s, 148 U9s, 202 U11s, 535 U18 and 664 O18s in core winter-season categories and another 86 from other categories including school competitions, club initiatives, summer hockey and indoor.

NSBHA has ended its fourth full year in continuing to build a strong financial platform. An operating profit of \$38,491 has been delivered to end-September 2018, down from \$44,337 in 2017 in support of efforts to cap the cost of participation in the Representative program.

The administrative costs for NSBHA in 2018, at \$1,481 (approximately 0.7% of total revenues), remain low in line with expectations.

Once again the resultant net assets comprise predominantly of cash balances across the four NSBHA bank accounts for a total of \$176,725 in accumulated funds.

The accounts to end-September show an accumulation of funds consistent with the stated objectives in the Association's Business Plan. Note that the balance in the bank account for future hockey infrastructure investment continues to build and is as at end-September 2017 stands at \$146,405.

As NSBHA seeks to lever its cash balance to best effect, the NSBHA Committee has provided a series of provisional funding commitments as part of advancing prospective projects and/or in seeking State and/or Federal grant support that might enable much needed new or improved hockey facilities in our region. Whilst we are as yet unable to report a significant breakthrough, efforts have ramped up significantly in this area (see Facilities Convenor's report, Section 6). In documenting the provisional supporting financial commitments resolved by the NSBHA Committee, please note:

Prospective Project (and Grant Scheme)	Date Committed	Amount	Status
Northern Beaches Hockey Fields proposal	Aug 2017	\$60,000	Awaiting site confirmation
Barra Brui Hockey Centre project (NSBHA) Wet turf + Clubrooms Renovation & Renewal (Greater Sydney Sports Facilities Fund)	Aug 2018	\$200,000	\$3.25M project \$2.25M grant sought - awaiting grant deliberations
Barra Brui Hockey Centre project (NSBHA) Clubrooms Renovation & Renewal (Community Sport Infrastructure Grant Program)	Sep 2018	\$100,000	\$680,000 project \$500,000 grant sought - awaiting grant deliberations
Ku-ring-gai Hockey Centre (NSBHA) Stage 1 Renewal: Field Lighting + Minor Works (ORG: Infrastructure Grants Program, Round 2)	Sep 2018	\$20,000	\$120,000 project \$100,000 grant sought - awaiting grant deliberations
Ku-ring-gai Hockey Centre (KHC Inc.) Stage 1 Renewal: Field Lighting + Minor Works (ORG: Infrastructure Grants Program, Round 3)	Oct 2018	\$20,000	\$120,000 project \$100,000 grant sought - awaiting grant deliberations

Clearly NSBHA is not in a financial position to fulfil all provision commitments. Nonetheless, they are a mandatory enabler simply to be eligible to apply for grant funding. Should we ever be in the luxurious position of having to deal with multiple successful grant application or projects, choices will need to be made. Until that time, our strategy remains to use our accumulating financial balance to maximum effect in pursuit of all reasonable options.

The simplified Profit and Loss statement and Balance Sheet for NSBHA as at end-September 2018 is shown for reference in Appendix 1: NSBHA Financial Accounts.

Treasurer, NSBHA

## 3 Representative Convenor's Report

Our 2018 season was initially impacted by another review of player eligibility guidelines and the introduction of a revised State Championship Eligibility Policy (see Section 8 – Appendix 2). In brief, players can choose to represent either their 'Home Association' (determined by current club) or 'Origin Association' (based on club started playing hockey with). We were not impacted greatly, however with any new policy, there were some teething problems but overall the transition was reasonably smooth.

Our representative committee continues to design & implement a dedicated program offering all our players an opportunity of further development. The committee consisted of myself, Andy Moore (GNS), Mandy Hewitt-Park (Mosman), Fiona Telfer (UTS), & Nicky Coghill (uniforms), Cath Mantis (equipment) & Cristina Cannon (umpires). We are always keen to welcome new members & ideally encourage representation from all NSB clubs.

We continue to rely strongly on our volunteer base ensuring we provide a sound platform, creating an enjoyable & competitive environment for all players. Thank you once again to our dedicated coaches, managers & selectors who volunteer their time & expertise to develop & encourage our large group of enthusiastic players.

Revolutionise has proven to be an extremely useful resource and our aim is to transition the current website in 2019. Facebook has also proven invaluable when providing information to members.

#### Field State Championships

NSBHA was represented @ FSC across all female age groups and we successfully fielded three male teams in U13 & U15 & Opens. (2018 rankings attached in Section 8 - Appendix 2)

- U18 girls winners Div 2 promoted to Division 1 2019
- U13 boys winners Div 3 promoted to Division 2 in 2019

- Inaugural U15 boys Teams finished 4th Division 3
- U13/2 girls unfortunately demoted to Div 3 after being promoted to Division 2 in 2018

#### **Indoor State Championships**

NSBHA will be represented @ ISC across all female age groups, and U13/U15 in male age groups.

As the ISC program starts in October with U15 age group, I've included 2017 rankings as reference (in Section 8 - Appendix 2).

Our U11 skill development program will run again in November and continues to be very popular.

#### **U11 Program**

We fielded 3 x U11G teams & 2 x U11B teams, who attended numerous small sided carnivals with their season culminating in combining teams to compete in Kim Small Shield & Michael York Cup in Tamworth.

Our U11G teams won both division 1 (4th year in a row) & division 2 in Kim Small Shield (2nd year in a row).

However program development proved problematic with some competitions half field/small sided and others full field. Our solution was again to select 3 girls teams with 10 players and split to 2 of 15 when playing full field. A similar process was adopted for the boys teams. We are hoping for more continuity with competitions in 2019.

Thank you to everyone who has contributed and ensured the season has run so smoothly. It would be remiss of me not to make a special mention of Andy Moore's tireless dedication, common sense approach & true organisational wizardry. I won't be standing again as I feel it is time to hand over to another enthusiast. It's truly hard to believe it was in 2014 I was encouraged to join a group of passionate hockey administrators to help guide our local clubs/associations through Hockey NSW association reform. Throughout this journey I've had the support of an outstanding Rep Committee & Executive Committee including David Johnston, Christine Cannon & Suzi Litchfield.

The Representative Convenor role has been extremely rewarding, challenging & often enlightening!

NSBHA ABN 20 504 267 521

It offers an insight into behind the scenes program development, planning & overall implementation, affording clarity around why decisions are made & certain courses of action undertaken.

Looking forward to a future of hockey advancements in 2019.

Sue Pickering Representative Hockey Convenor, NSBHA

- 6 teams competed in the SWHL women's masters competition with all 6 teams making the semi-finals, three progressing to the grand final and two teams were overall winners.
- NSB1, NSB2 and NSB3 all finished Minor Premiers for the season.
- Julie Purser, Division 3, was awarded the Highest Goal Scorer in all of Women's Masters, scoring 16 goals for the season.

- 30 players from NSB represented NSW in their respective age division at the Australian Championships held in Bunbury, WA in October.
- 13 players from NSB have made their respective Australian teams to compete in the Trans-Tasman Series in 2019.
- Jenny Evans was awarded the NSW Waratah award for service to Masters hockey.

#### Women's Masters Committee

The NSB Women's Masters committee for 2018 comprises:

Diana Brown – Convenor

Christine Hanbury-Brown – Treasurer

Annie McCraith – Registrar

Elaine Trodden – Umpiring and SWHL meetings

Pamela Forbes and Gabrielle Whelan - NSW State Championships co-ordinator

As Convenor, it has been a pleasure working with this committee. They have been a tremendous help and have each been thorough, reliable and knowledgeable in their respective roles. I would like to sincerely thank them for their time and support of me personally and for NSB in general.

In addition to the above committee, there are managers and coaches for each team and other people who give of their time throughout the year. A huge thank you to all these people.

#### **SWHL Women's Masters Competition**

As an association, NSB fielded 6 teams in the SWHL master's competition. Two in Division one (NSB1, NSB/UTS white), one team in Division 2 (NSB2), two teams in division 3 (NSB3 and NSB/UTS) and one team in Division 4 (NSB4).

We commenced the season with trials in February at the Ryde Hockey Centre, to allocate players across NSB1 to 4. We followed this up by a training session at Ryde for Divisions 1 and 2.

The season was successful for all teams, with all 6 making the semi-finals. In division one, NSB1 finished as Minor Premiers, scoring 21 goals for the season. Unfortunately they lost the semi-final and final so did not secure a grand final spot.

NSB White finished second in Division 1 scoring 37 goals. They beat NSB1 in the semi final and progressed straight through to the Grand Final. They played SEHA and beat them1-0 to be crowned Division1 winners.

NSB White - winners in Division 1

In division two, NSB 2 remained undefeated and scored 29 goals. They faced Sydney South in a tough Grand Final. The game was locked 0-0 at full time and went to extra time. It was still locked at 0-0 after extra time so the teams battled it out with penalty strokes. The Division 2 keeper, Margreet Leeftink made some impressive saves and secured the win for Division 2.

NSB2 - Winners in Division 2

In division three, NSB3 finished Minor Premiers, scored a massive 53 goals, of which Julie Purser scored 16 goals. Julie was awarded the Highest Goal Scorer Award across all of SWHL Women's Masters. NSB3 played MSW in the Grand Final and sadly went down 4-0, leaving them as runnersup.

Julie Purser – Highest Goal-scorer in Women's Masters 2018

Also in Division 3, NSB/UTS made it through to the Final and were defeated 6-0 by MSW.

In division four, NSB4 progressed to the Finals. They played the most amazing first half of hockey going 1-0 up against SEHA. They couldn't maintain their intensity and were finally defeated 3-1. Well done NSB4!

Congratulations to all players for a great season and particular mention to the Best & Fairest players as voted by their teammates.

### NSW State Championships Coffs Harbour 29-30 July

NSB fielded a total of 6 teams in the NSW State Championships across all age divisions. There were 97 players, coaches, managers and umpires to organise and manage. Another huge task!

The tournament was a huge success in terms of making friends and playing lots of hockey, but had mixed results on the hockey field!

NSB1 and NSB White both had successes over the weekend, playing brilliant games, scoring goals and reaching the o35 div 1 final. NSB White were the strongest team in the final and were declared NSW State Champions.

NSB White - NSW State Champions o35 Division 1

Our other best performing team was in the o50s winning their division again – they have been o50s NSW champions for many years now.

Other teams finished either third or fourth in their pool.

We enjoyed an association dinner on the Friday night, attended by most of the participants. On Saturday night we attended the State Champions dinner hosted by Coffs Harbour at the local exserviceman's club.

Congratulations to all players for a highly successful weekend and particular mention to the Best & Fairest players for each team as voted by their teammates.

## 5 Development Convenor's Report

Andy van Pelt has now been working for around 14 months as the Regional Coaching Coordinator (RCC) in our area. The RCC role provided through Hockey NSW is partly funded the member affiliation contributions from NSBHA and facilitates approximately 20% of their time to NSBHA development.

Priorities outlined by NSBHA for Andy were spread across the strategy areas highlighted above. In particular, Andy has been directed towards using his skills and availability to stimulate grass-roots interest in hockey via introductory programs in schools and in establishing complementary new local competitions to capture early participation interest. Initiatives contributed to by our RCC include:

- Centre of Development programs
- Pittwater RSL small-sided hockey competition
- Coach education evening Manly, Mosman, Monte, Terrey Hills
- Coach education and accreditations practical evaluations
- Umpiring education Terrey Hills/Warringah
- Umpire education and accreditations practical evaluations
- School programs and Gala Day

I am also pleased to report that the relationships across member clubs with NSBHA have facilitated on-going leverage of our limited Development resources through stronger collaborations and shared initiatives. In particular, key Development initiatives from member Clubs in our area open to all NSBHA members. Cross-NSBHA participation in these club led programs continues to demonstrate a strong spirit of collaboration and cooperation.

Specifically, club hosted NSBHA-open Development initiatives in 2018 included:

Feb	GNS	Pre-Season Academy	7-17 years	150 participants	KHC
	GNS	Community & L1 Coaching	NA	10 participants	KHC
Mar	GNS	U9 and U11 Carnival	6-10 years	50 participants	KHC
Jul	WHA	Player clinics	5-17 years	300 participants	Curl Curl

## 6 Facilities Convenors' Report

In what is always a slow and challenging area, it is encouraging to report that several opportunities continue to progress successfully in the prospect of one or more projects being confirmed in our NSBHA catchment area. These include:

- a) St Ives: Ku-ring-gai Council have recently guided NSBHA towards a potential new site for hockey known today as Barra Brui Oval. Council have since committed resources to the due diligence requirements (local consultation, environmental impact assessment, native title & indigenous assessments) that are required to allow this natural turf oval to be re-purposed for a new artificial-surface field. In parallel, grant applications have been submitted by NSBHA towards enabling a proposed \$3.25M scope of works that included a new wet-turf hockey pitch and a substantial building renovation to convert a 1970's era amenities block into a contemporary club-rooms.
- b) The Beaches: A coalition of local hockey stakeholders, clubs and Associations has been working via the Northern Beaches Council towards a potential new artificial surface hockey complex. The Northern Beaches Hockey Fields group continues to work with Council towards confirmation of a site that might allow for an initial single field installation, but with area available to grow to up to three surfaces in the future.
- c) North Sydney: Options continue to be canvassed with North Sydney Council towards a potential artificial-surface field in the area made suitable for contemporary hockey needs.
- d) Ku-ring-gai Hockey Centre renewal: It is proposed, subject to grant funding application success, to renew the lighting in what we hope will offer a Stage 1 of potential reinvestment.

We would also wish to take this opportunity to thank the 30+ attendees from across the NSBHA area who attended a Facilities forum on 31<sup>st</sup> July 2018 for the purposes of canvassing views and aligning ongoing efforts. This was very beneficial indeed.

As highlighted in the Treasurer's Report, we are pleased to also advise that NSBHA has now accumulated approximately \$150,000 into an infrastructure fund to support hockey facilities projects in our area. This is the primary use of member's fees. We dearly look forward to using our resources in support of new and improved hockey facilities in our area. In the meantime, NSBHA certainly will continue to be working hard towards delivering future hockey projects in our area into which our infrastructure development funds can be duly directed.

### STATE CHAMPIONSHIP ELIGIBILITY POLICY

(from State Championship Operations manual)

#### 6.2. PLAYER REGISTRATION

- The State Championship Eligibility Policy has been developed according to the following guiding principle;
  - Participants play representative hockey where they play club hockey.
- 6.2.2. A player must only play for his or her HOME Association or ORIGIN Association at a State Championship, unless the HOME Association grants a player release.
- 6.2.3. In any given season, every player belongs to a HOME Association which is affiliated with Hockey NSW. A player's HOME Association is determined based upon the Club registration under which the player first pays the Hockey NSW registration fee. A player's Home Association may change from season to season as it is determined by the Club which the player first registers with in the relevant season.
- 6.2.4. A player may also have an **ORIGIN** Association affiliated with Hockey NSW. The Association under which the player first started playing hockey will be considered the **ORIGIN** Association. A player will only have one (1) **ORIGIN** Association.
  - a) Proof of origin must be provided if so required by the Home Association.
  - b) It is the responsibility of the player to source and provide proof of origin.
  - A player will be required to complete the Player Clearance Form (SC 14) and forward it to Hockey NSW two weeks prior to the relevant State championship.
- 6.2.5. The following exceptions apply in respect to a State Championship:
  - A player, who has stood for selection for his or her HOME association but is not selected in any team, may represent any other association subject to the following:
    - The Player Clearance Form (SC 14) is completed, signed and forwarded to Hockey NSW, two weeks prior to the relevant State Championship; and
    - The player has complied with all relevant representative selection trial policies of the **HOME** Association.
  - A player who has registered with more than one Association is eligible to represent the other Association they are registered with subject to the following;

#### 9 APPENDIX 3: NSBHA Women's Masters Financial Overview

#### Treasurer's report

This year has been a strong year financially.

This year has been another strong year financially with a slight profit over the budget for both SWHL and the State Championships.

We budgeted for a very small profit margin this year to keep costs down. A couple of factors have meant we came in with a surplus of \$2225 this year. The reasons for this are as follows:

- SWHL player numbers and therefore fees were greater than expected.
- SWHL umpiring costs were less than budgeted.
- SWHL turf fees were only slightly higher than anticipated (after an initial shock).
- ♣ SWHL coaching costs were slightly lower than budgeted.
- Late inclusions at State Championships meant slightly higher player income.

We have spent some money on equipment this year buying balls and face masks for defenders.

At 30 September we had over \$19k in the bank account although the Profit and Loss includes accruals totalling \$7,030 for expenses relating to coaches, managers, trophies, presentation dinner & field hire which have not yet been billed/paid.

We have not yet paid a deposit for accommodation at next year's State Championships in Bathurst which would be another \$2000 normally paid by this time.

The Balance sheet and detailed Profit and Loss are shown below:
